- A. an American movie
- B. What does a legend say?
- C. The origin of one legend
- D. What is a ground hog?
- E. What do people think about this legend?

2. A ground hog is a small animal that digs and lives under the ground. It is also called the woodchuck. Ground hogs live in many parts of America. In the winter they hibernate like bears and some other animals.

3. There is a legend that says a few hundred years ago Europeans brought Ground Hog Day to America.

4. Europeans said that the ground hog wakes up from his hibernation on February 2. (February 2 is half way between winter and spring.) If he comes up from his hole and it is sunny, he will see his shadow and be frightened. If he sees his shadow, there will be 6 more weeks of winter weather.

5. Some people believe this legend and they watch the sky on February 2. Many people are happy if it is cloudy on that day. They think spring will come soon. But most people think it is just a fun legend.

6. Can you believe that there is even a movie called Groundhog Day shot in America in 1993 ?
