Grade 6 Round I • Fall 2025

გასული წლის ტესტი

Task 1

Reading. Read the text and for each question choose the correct answer: A, B or C.

10 points
2 per answer

Digital finances make online shopping much easier. Instead of going to a shop, people can use their phones or computers to buy clothes, books, or even food. They can pay quickly with a credit card, debit card, or digital wallet. Many people also use digital coins, such as Bitcoin or Ethereum, which are a modern and exciting way to pay online. Digital coins can be stored safely in online wallets and used to buy products or services around the world. This makes shopping faster and more enjoyable for everyone.

- What do digital finances help people do?
A. watch movies
B. shop online more easily
C. travel to stores
- What devices can people use for online shopping?
A. phones or computers B. TVs or radios C. cameras
- What are some examples of digital coins mentioned in the text?
A. Dollar and Euro
B. Bitcoin and Ethereum
C. Gold and Silver
- Where can people store their digital coins?
A. in a physical wallet
B. in online wallets
C. in shopping carts
- According to the text, what makes digital finances convenient?
A. They make shopping faster and more enjoyable.
B. Only young people can understand them.
C. They sometimes need cash payments.
