The Kitchen Cupboard

Tania Francis is the owner of a new food store called The Kitchen Cupboard. Our reporter, Fran Peters, asked her about the business.

Fran: Your food store is very popular, Tania. Why do you think this is?

Tania: Well, healthy food is big news these days. Our store sells healthy food and we tell you how to cook it!

Fran: Do you tell every customer?

Tania: We give recipes every time you buy something at our store.

Fran: And do you eat the food from your store?

Tania: I certainly do! I try to stay healthy. I go to the gym, I go jogging every day and I write the recipes for the store. Of course, I have to cook them first!

Fran: Which is your favourite recipe?

Tania: That's difficult. I really like the chicken and tomato burgers and, of course, the fish and cheese pie. That's very popular.

Fran: Do you think people really want to be healthier these days?

Tania: Yes. There are a lot of reports in the newspapers and magazines about people who are too heavy. It's so dangerous. People are learning to cook and eat healthier food. But healthy doesn't mean boring! Come along to The Kitchen Cupboard and see how many delicious meals you can cook with healthy food.
