

GRADE 9

READING

Task 1. Read the text. Choose the correct answer A, B or C: (10 points)

Are you looking for a gift that is different? Perhaps you don't want to give your best friend or your mum and dad the same presents as everyone else does. What can you buy that they will always remember? Why not get them an 'experience gift'?

The presents that people give have changed a lot in recent years and there has been a big rise in the number of people giving 'experience gifts' to celebrate those special occasions. This can be a flying lesson on a helicopter, a day on a racetrack, an afternoon in a hot air balloon, or one of many other experiences that companies are advertising.

These experiences are usually very exciting. An 80-year-old man celebrated his birthday by flying a Tiger Moth, an aeroplane from the 1930s. When he landed, he said, 'That was a fantastic experience! I've always wanted to go in a Tiger Moth. I never thought I could learn how to fly one. For my 90th birthday I want to drive a Ferrari round a race track!'

Luckily, the cost of an 'experience gift' always includes insurance!
